Attendance rule for filling GTU Exam Form:	Important Notes:
<p>If attendance is <b>below 45%</b>, the college <b>will not allow filling</b> up GTU exam form.</p> <p><b>Attendance of 45% should be made:</b></p> <p>1) At the time of GTU Exam form filling date.</p> <p>2) Last day of Teaching phase: If attendance becomes <b>less than 45% after filling the GTU form</b>, then that <b>student’s bonus marks</b> (attendance bonus + bonus for attending all lectures on first three days of the semester) will be considered as <b>zero</b>. Additional <b>10% relaxation</b> can be given <b>due to medical reason</b>. (Medical certificate is required for continuous <b>14 working days during teaching phase, in which student should not be present in any of the lectures or else those attended lectures will be deducted from total count of attended lectures.</b>) So, including medical certificate if attendance is below <b>35%</b>, the college will not allow to fill up GTU exam form. (Note: Institute will not accept a medical certificate if it’s for less than 14 working days)</p> <p><b>Remark: Submit your medical certificate to your respective MENTOR immediately after recovering from your medical condition (Verification can be done by Mentor or HoD). Afterwards medical certificate will not be acceptable in any condition.</b></p>	<p>1. Final Mid Marks shall be (Average of MSEI &amp; MSEII) + Secured Attendance Marks <b>(Out of 12)</b> + First Three Days Attendance <b>(03 Marks)</b></p> <p>2. After <b>adding all bonus marks (out of 15)</b> in average marks of MSE I and MSE II still if a student is <b>failing in only 1 subject</b> by maximum 2 marks, then <b>maximum 2 HOD bonus marks</b> will be given based on the student’s behaviour. In this case, student is not eligible for <b>+4</b> bonus marks in all subjects as per <b>Point No 3</b>.</p> <p>3. After <b>adding all bonus marks</b>, if he/she has <b>cleared all subjects</b> of MSE, then he/she will get <b>4 extra bonus marks</b> per subject. If a student fails even in single subject after adding all bonus marks, then he/she will not get extra 4 bonus marks in any subject including the subject in which he/she has passed.</p> <p>4. <b>Attendance bonus marks will not be given to mischievous students.</b></p>
